AN ARTFULLY DESIGNED DREAM PAIR

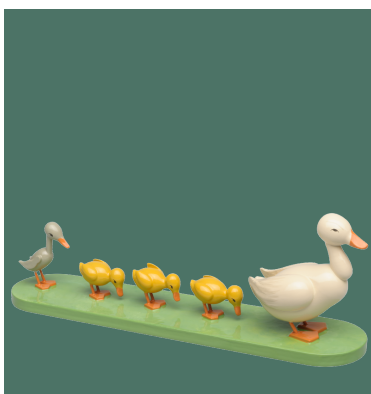

Mastery to the power of two: the Christmas tree will be doubly enchanting this year with a larger Marguerite Angel in ring, complemented by a mouth-blown bell from the INGE-GLAS® manufactory. The shape of this delicate glass bell mirrors the angel's wooden bell, creating a harmonious union of two captivating accessories. These are lovingly hand-crafted and will retain their timeless charm for years to come.

Our new releases are sure to spark excitement for the Christmas and Advent season! The two INGE GLAS® sets, the Young Ugly Duckling (complete with a matching fairy tale puzzle), and the Advent Calendar (**available only in Europe**) are available from all authorized retailers and in our own retail outlets in Grünhainichen and Seiffen.
